Why Choose Gas Logs?

If you've ever spent a cold evening coaxing a wood fire to catch, you already know the appeal of gas logs. You get the warmth and glow of a real fire whenever you want it, without the work that usually comes with it. For many of our customers, switching to gas logs is the easiest way to get more enjoyment out of a fireplace they already have.

Warmth at the Push of a Button
No chopping, hauling or stacking wood, and no ashes to clean up. Many models come with a remote or can be set up to use one.

Efficient Heat
The vent-free Empire Vail Premium is 99.9% efficient, so more of the heat you pay for stays in your home.

The Look of a Real Fire
Hand-painted logs, glowing embers and natural, flickering flames give you the beauty of a wood fire without the mess.

Peace of Mind
Vent-free models include safety features like an Oxygen Depletion Sensor for safe, reliable performance.

Comfort When the Power Goes Out
Millivolt models don't need household electricity to run, so you can stay warm during an outage.

Stop by our showroom or give us a call at **800-239-5606** to see what's in stock. We'll help you find the right fireplace or log set for your home.

RECIPE:

ONE-POT LASAGNA SOUP

All the flavor of lasagna, none of the layering. This one-pot lasagna soup has everything you love about the classic, all simmered together in a single pot. It's warm, filling, and easy to make on a busy weeknight, and cleanup is quick. It's even better on a gas range, where you can change the heat in an instant to bring it to a boil or keep it at a slow simmer.

Ingredients

1 lb lean ground beef
1 medium yellow onion, chopped
1 can (28 oz) petite diced tomatoes
1 can (15 oz) tomato sauce
1 tsp basil leaves
1 tsp oregano leaves
1 tsp garlic powder
1/2 tsp onion powder
3/4 tsp salt
1/4 tsp ground black pepper
32 oz chicken stock
8 oz (about 10) lasagna noodles, broken into pieces
1 cup ricotta cheese, to serve
Shredded mozzarella cheese, to serve

Directions

1. Brown the ground beef in a pot over medium heat and drain off the fat.
2. Add the onion, then cook for 2 to 3 minutes.
3. Stir in the tomatoes, tomato sauce, seasonings, salt, pepper, and stock, and bring to a boil.
4. Add lasagna noodle pieces and cook for 6 to 8 minutes, or until the noodles are tender.
5. Ladle the soup into serving bowls. Top with ricotta and sprinkle with mozzarella.
